

MMP1 System Compatibility

Update: February, 2019

Please make sure to use the appropriate versions of MMP1 Firmware, Editor, and Controller which are compatible with each other, referring to the following compatibility charts. Using an unsupported component combination may result in malfunction.

ご使用の際は下記ファームウェア対応表を参照のうえ互換性のあるバージョンでご使用ください。互換性の無いバージョンを組み合わせて使った場合、誤動作の原因になることがあります。

MMP1 System Compatibility with NUAGE
