

GETTING TO KNOW YOU

...before the first lesson

1. How did you hear about my studio?
2. What made you decide to reach out to begin lessons?
3. Can you tell me more about what you're hoping to gain from having lessons?
4. Do you have any specific goals in mind?
5. What activities does your child enjoy?
6. Have they had any music experiences before?
7. Does anyone in the family have musical experience?
8. What kind of instrument will your child be practising on?
9. The best progress and learning happens when students can practice what they have learnt in lessons before their next lesson. How do you think that will work in your family?
10. Are there any ways I can best support your child's learning?
11. Is there anything else you would like to share with me about your child?
