**Home Sweet Melody**  
 Where instruments play a melody in every corner of home

## PIANOS

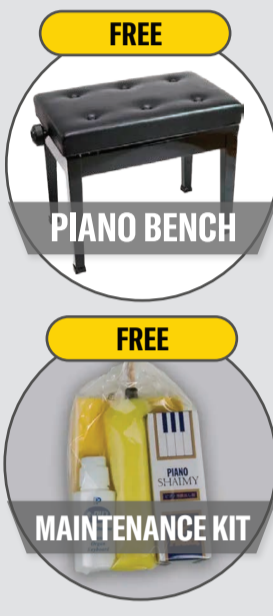

### Hybrid Pianos

#### disklavier ENSPIRE™

The Disklavier ENSPIRE™ is like having a piano that can record and play back music. Imagine having your own personal concert pianist right at your fingertips! You can choose from a wide variety of songs, including classical, jazz, and pop. Plus, it even has a cool feature that makes the sound feel immersive when you wear headphones. In addition to the built-in songs, you can access 500 built-in songs and download over 6,000 performances directly to the instrument from the Yamaha MusicSoft online store.

**DISKLAVER™ PIANO DC1X EN PE**  
 RETAIL PRICE **\$54,510**

### Upright Pianos

Creating a Yamaha upright piano is like blending art and science. Skilled craftsmen use top-quality materials to build these instruments. Once they're finished, they're ready to bring a lifetime of musical joy. When it comes to the heart of the piano—the source of good sound—Yamaha designers and builders take a deep dive. They use only the finest materials from around the world. These skilled craftsmen apply time-honoured techniques to create instruments of unsurpassed quality at our state-of-the-art production facilities.

## WIND INSTRUMENTS

### Good for both the user and the environment

You'll find our instruments in the hands of musicians from all ages and levels all over the world. Whether we are making a professional level instrument or a student model, our aim is to provide the musician with an instrument that sounds and plays as best as possible, is reliable, and is good for both the user and the environment.

**Environmentally Friendly Production**  
 Yamaha produces instruments with environmentally friendly way. Though lead is traditionally used for wind instruments, it harms human health and environment. Yamaha has succeeded to introduce "lead-free solder" ahead of other manufacturers in the world.
